we create sustainable outdoor living

[Click here to see the
entire product line](#)

WEATHER-PROOF

Our durable and heavy furniture can withstand sun, rain, wind and snow.

FIT & FINISH

Custom molded arms and radius slats.

LOW MAINTENANCE

No painting or staining...
leave it out all year!

25 YEAR WARRANTY

Guaranteed never to rot, crack or split.

C.R. Plastic Product's furniture is made with up to 100% recycled plastic and only uses marine grade stainless steel for all its hardware. In fact, it takes 579 milk jugs to make a single Adirondack chair! Each year they divert millions of tons of plastic that would have ended up in a landfill in order to make incredible stylish and comfortable furniture that is virtually maintenance free. Call or email us today to place your order.
